AMHA
WORLD CHAMPIONSHIP SHOW

FT. WORTH, TEXAS

As always, the Executive Committee and the Board of Directors are very excited to welcome our members to the World Show! We have continued to be in awe of your commitment to your horses and to showing them wherever and whenever possible and we share your passion and commitment to our AMHA registered horses.

We'd like to thank all our members for your patience as the staff continues to learn and tweak the brand-new computer systems with the help of Mark Anderson Computer Consulting and our Show Manager extraordinaire Laura Mullen.

We welcome back our incredible videographers from 2021. Our Youth and Amateur Committees have a lot of fun activities planned and we look forward to participating and supporting all their efforts again in 2022.

Thank you to all our World Show exhibitors and attendees for your continued support of the AMHA and the show. We are here for you and hope you will have a fantastic show! Best of luck to everyone.

AMHA President

ABOUT THE COVER

FIRST KNIGHTS *Billy Idol*

(First Knights Breakin All The Rules X Sheep Meadows Goldilocks)

Billy Idol first burst onto the scene in the show ring winning many Supremes and 2 Res World Champion titles. What came next is nothing short of amazing. His first foals went on to become World Champions and it has grown from there. The Billy Idols are known first and foremost for their desire to show. When you combine their non stop attitudes with their beauty and athleticism, you have a combination that is hard to beat. Now Billy Idol is proving himself as a performance sire as well. His first 2 offspring to perform at Worlds in Open Driving both came away with World Champion honors! Now many of the Billy Idol get have become dual World Champions in both Halter and Driving. Now syndicated, Limestone is the manager of this multi talented stallion.

HERE IS A LOOK AT A FEW OF BILLY IDOL'S ACCOMPLISHMENTS:

Judging System

The World Championship Show will use teams of three AMHA carded judges on each panel, all of whom were approved by the Licensed Officials Committee. All three of the judges' cards/scores will be used to determine class winners. If a tie results, the call judges' placing will be used to break all ties. If a tie still results from the first call judge's card, the tabulation moves to the second call judge, then third until all ties have been resolved.

Three judges will be selected to judge all Youth and Amateur Classes, the World Championship Hunter Futurity and some specialty classes; the remaining three judges will adjudicate all Open classes, the World Championship Driving Futurities, and the balance of the specialty classes. The Halter Futurity classes will be judged by a panel of three judges (two from the Amateur Panel and one from the Open Panel).

For computer tabulation, horses placing under each judge will receive the following points:

- 1st place - 10 points
- 2nd place - 9 points
- 3rd place - 8 points
- 4th place - 7 points
- 5th place - 6 points
- 6th place - 5 points
- 7th place - 4 points
- 8th place - 3 points
- 9th place - 2 points
- 10th place - 1 point

All classes will be judged once using the computer accumulated tabulation system, mentioned in the paragraph above.

Special Award Ties and Scoring

In calculating any of the Special Awards (Super Amateur, Super AOTE, Best All-Around Horse, High Point Driving Horse, High Point Youth), should ties occur, the following procedure will be followed. The first tie breaker will be to determine the horse/exhibitor defeating the most competitors. If a tie still results from this calculation, then the next breaker will be to determine which horse/exhibitors must place first through tenth in any eligible class. Should a tie still result, a coin will be tossed by the exhibitors to determine the winner.

In scoring all special awards, the following computer point system will be used:

Entries in classes with 10 or more entries: first receives 10 points, second receives 9 points, third receives 8 points, etc.

Entries in classes with less than 10 entries: first receives the number of points based on the number of entries shown, etc. (Example: class with only 7 entries--first receives 7 points, second receives 6 points, third receives 5 points, etc.)

Remembering a Legend...

How do you sum up the contributions of a legend like Wade Burns in just a few short paragraphs? As you read thru comments about his passing on Facebook, from people in both the horse and dog worlds, you see words like pillar, icon, gentleman, respected, generous, beloved, mentor and most of all friend to all that knew him.

Wade, and his long-time partner Jon Woodring, owned Lucky Four Farms in Advance North Carolina. Many called Lucky Four miniature horse heaven for equine and people alike. There were always hundreds of amazing horses roaming across the lush, green hills and you did not know where to look first. For four decades they bred over 1500 of the finest AMHA horses, many of which were World Grand Champions, Honor Roll Champions and Futurity Winners! Horses with the Lucky Four prefix are the crown jewels of many breeding programs to this day. Wade gave many trainers their start, as he let them pick horses to show and worked with them to develop their show strings. Lucky Four production sales were THE social event with buyers flying in from around the globe and record-breaking sales. Wade gave back to the industry, serving on AMHA's Executive Committee from 1998 to 2001. He was on the Board of Directors for many years and served on several committees. The one that was closest to his heart was the Futurity! He served as its chair and co-chair, and through his passion, he helped it grow and thrive. He was also one of its biggest contributors, nominating hundreds of Lucky Four foals to the program. Today, one of his most famous stallions, Sid's Rebel, sits atop the All Time Leading Futurity Sire's list with earnings of over \$78,000.00. Wade was honored with AMHA's "A" Award for Lifetime Achievement in 2012.

Many of us were devastated by the loss of Wade this past September. His friends wanted to pay tribute to him with a memorial trophy. However, Wade was such a giant in the industry that he ended up with two trophies!!! The first is the lovely "Spring Addition" trophy being presented to the Futurity's highest honor, the Open Grand Champion. The second trophy pays respect to who Wade was. Whether he was breeding the top show dogs in the world, or the most exquisite small equine, Wade's eye for conformation and his attention to detail were second to none. We thought he would be proud to have a Breeder's award named in his honor. The beautiful trophy "Peek A Boo" is being presented to the breeder of the Futurity's Open Grand Champion. While we will miss Wade deeply, he has left a legacy that is second to none, many fond memories that are cherished by his friends and his Lucky Four horses will live on forever thru breeding programs around the world!

Miss Juliette Blue

Sadly, our beautiful Juliette will be unable to attend this year's World Show due to having emergency colic surgery. But thankfully she is home and recovering extremely well!

Juliette would like to wish her brothers and sisters as well as ALL exhibitors at the World Show

Good Luck!
