186F Castration

After a stallion is castrated the certificate of registration and a "Gelding Certificate" form (provided by the Association) must be submitted to the Association by the recorded owner.

COMPLETING THE GELDING VERIFICATION FORM:

When filling out the gelding form in preparation to submit to the AMHA office, include the date of gelding and signature of owner. If the registration certificate is a Temporary, AMHA notes on the front of the certificate that the horse is now a gelding and processes a strip noting the gelding information has been submitted and processed.

If you wish to have a new certificate issued or there is also a status change to Permanent at the same time, the four (4) required photographs must be submitted at the same time the registration certificate and the gelding certificate is submitted.
